COMMENTARY ON FACULTY DATA POINTS
Comment on the profile of the collective faculty in terms of meeting the needs of the students and the program. This may include the academic qualifications, reputation, and experiences of the faculty as a whole; use and qualifications of adjuncts; and/or congruence of faculty qualifications with program needs.
Please comment on the scholarly productivity of the collective faculty as it contributes to the reputation of the program, meets program needs, contributes to student learning, and meets tenure and promotion guidelines.

FACULTY
What efforts have been made to develop faculty to improve quality of instruction/student learning?
Does the program provide adequate support for faculty research/scholarship?
Please provide any available evidence that faculty service meets program needs and contributes to the mission of the University.

### **COMMENTARY ON STUDENT OUTCOMES DATA POINTS**

Comment on the above student outcomes,	including the quality	y of summative stud	ent projects (e.	.g. theses
portfolios, capstone projects, etc.) if application	able.			

Describe the program's efforts to collect information from alumni, including a description of survey methods used and an interpretation of results.
What evidence exists that students are meeting the program outcomes?
How is student satisfaction data collected and used to enhance the quality of the program (e.g. course evaluations, students rating of instruction, focus groups, etc.)?

# **COMMENTARY ON PROGRAM RESOURCES**

Comment on the adequacy of program resources, including classroom and office space, laboratory and/or studio space (if applicable), library and technology resources and personnel.

# TRENDS Describe the most significant changes that have been made in the program over the past 5 years, including innovations made to improve student learning in the program (e.g. curriculum, admission changes, etc.).

How is the program advancing the state of the discipline or profession?

Summary
Please list 3 to 5 strengths of the program.
Please list 3 to 5 areas of growth or improvement for the program.
What has been learned from this Program Review process?
Please list 2 to 3 specific questions or areas which you would like the program reviewers to comment on and make recommendations
