

## Working Themes

Where do you see yourself and your department or unit fitting into the working themes presented today?

### **Theme No. 1 – Mission Enhancement**

Creighton is a Catholic and Jesuit comprehensive university committed to a person-centered approach to formation of the men and women who teach, live, learn, and work on its campus, and to nurturing a passion for excellence in its community of value-oriented, innovative thinkers engaged in creating a more just, healthful, and vibrant world for all.

### **Theme No. 2 – Academic Excellence**

Creighton's comprehensive undergraduate, graduate, and professional programs are committed to cultivating intellectual rigor through high-impact learning, research, and service from a humanistic perspective that educates critical thinkers who will meet the challenges of the global community.

### **Theme No. 3 – Campus Environment**

Creighton provides the structures, spaces, and technology for the students, faculty, and staff of its comprehensive undergraduate, graduate, and professional programs to work collaboratively and intentionally to serve inclusiveness, environmental stewardship, respectful dialogue, accountability, and faith that does justice in our daily life.

### **Theme No. 4 – Institutional Outreach**

Creighton is a committed partner recognized for its selective excellence and innovation in meeting the complex challenges of the present and realizing the possibilities for the future on a local, national, and international scale.

### **Theme No. 5 – Stewardship of Resources**

Creighton is committed to thoughtful stewardship that cultivates and grows the human, capital, and financial resources needed to serve our mission of providing students of all backgrounds with an affordable undergraduate, graduate, and professional education.

**Please take a moment to share your thoughts about how you and your department fit into the working themes, by visiting the Strategic Planning website.**
